Arrival and Transfer to Thinnakara Island

Arrival at Agatti Airport Warm welcome with coconut water and local greetings

Transfer to Resort in Thinnakara Island

Indulge in Adventures with Water sports: Kayaking, snorkeling, diving, shipwreck visit, beach volleyball, speed boats are available at tents.

Thinnakara Island is situated just opposite side of Bangaram Island and share the vast lagoon and coralline banks; the actual lagoon area amounts to 125.21 Sq. kms. Thinnakara is a tiny teardrop shaped island which lies 8 km northeast of Agatti, where the airport is located. The panorama encompasses magnificent lagoons, sylvan seashores, sun drenched sand and the enchantment of swaying palms, spectacular marine flora and fauna, all these harmonies to form a colorful kaleidoscope typical of an archipelago paradise. During the nights, phosphorescent plankton washed ashore on the coral sands imparts a blue glow to the beach which is totally enchanting.

Facilities:

Tented accommodation. All Luxury ac tents are well maintained with attached bathrooms, Fan, twin and double bed, power points.

There is a restaurant which serve all meals by buffet and ala- carte, bar and Grills also available at the island.
